Sleeping and napping arrangements must be made in writing between the parent and childcare provider. The provider shall maintain this completed agreement on file in the center. This arrangement is required by New York State Office of Children & Family Services: Child Daycare Regulations: 418-1.7 (o) & 418-1.8 (a).

I, (parent/guardian name) _____, understand that my child _____, while under the care of Pattycake Playhouse, will be napping on a (cot/crib/mat) in the _____ classroom. I understand that while my child is napping, there will be competent supervision at all times via direct supervision of a caregiver who is in the same room and has direct visual contact with my child.

If my child is an infant, I also understand that my child will be placed on his/her back to sleep in a crib. I must provide a medical note from my child's pediatrician if another sleeping arrangement must be made due to a health condition my child may have. I understand that my infant falls asleep in a swing, or bouncer, that he/she will immediately be moved to a crib.

In addition, the sleeping and napping agreement must be updated a child moves from one classroom to another. If a child is unable to sleep during the classroom's scheduled nap time, my child will be provided with a quiet activity. Electronic devices cannot be implemented during this time of day (ie. Leap Pads), as per NYSOCFS Child Daycare Regulation: 418-1.7 (h)(3).
